NOURISHING LIP BALM

MOISTURIZES - NOURISHES REPAIRS - PROTECTS

This balm is super-restorative, nourishing, moisturizing, and smooths dehydrated, damaged or chapped lips by reinforcing the lips' natural hydration barrier to protect and soften them.

They become supple, smooth and protected again.

Applicator
exfoliant

Its soft, protective, high-tolerance texture, gives the lips an ultimate comfort.

WAKAME EXTRACT
CASTOR - SUNFLOWER - OLIVE OILS

The balm forms a biomimetic film that retains moisture in the lips and prevents them from drying out.

JAPANESE LACQUERTREE - SHEA BUTTER

It has a subtle, light fragrance, and its soft and non-sticky formula gives the lips a bright and shiny sheen.

The Nourishing Lip Balm has an angled applicator for precise application. The applicator has an exfoliating area to gently remove little dry patches and smooth the lips.

High-tolerance skincare and make-up for all
skin and eyes, even the most sensitive, dry or
weakened by treatments
