Weak hair? Hair loss? Itchy scalp?

ULTRACAPIL is a highly comprehensive response to hair problems:

- > Massive or diffuse hair loss
- > Slowed regrowth
- > Growth cycle disturbance
- > Irritation, inflammation, itchy scalp

ULTRACAPIL is a nutrition-intensive product with a high concentration of targeted natural active ingredients, designed to stimulate the hair bulb and improve hair rooting while soothing feelings of scalp discomfort, sensitized from wearing a wig especially.

Its unique composition acts at all levels of hair growth, helping to boost hair growth, increase hair mass and prevent hair loss.

 **90%**
natural
ingredients

FOR WHOM?

ULTRACAPIL is for people with hair loss and/or thinning hair with the following causes:

Reactional:

Chemotherapy, medication
Stress, fatigue, nutritional deficiency
Pregnancy, hormonal changes

Hereditary - androgenetic alopecia

Seasonal

USE

Apply 2 to 3 times a week to a clean, damp scalp using the precision tip, sectioning the hair into partings.

Massage using circular motions until fully absorbed. Do not rinse.

This hair care product should be used for 3 months for optimum results.

A safe, high tolerance formula

- Alcohol-free
- Phenoxyethanol-free
- No essential oils
- Fragrance-free
